Dear Clarence & Ruth & Girls.

Hope this finds all of you well and happy.

We are very fine. The Lord has certainly blessed us with a good year.

We certainly enjoyed having you visit us this past Summer. Thank you for Coming.

Last week end Kenny & Darla were with us. They Came Friday afternoon and left Monday morning. It was so very nice to see them and to meet Darla. On Sunday Arte were down and Elsa was here so she could meet the whole family.

They were certainly thankful to be out of service

and on their way home to California.

On October 20 we went up to Arts for Helen Eileen's confirmation.

If things go as planned Arts & Elsa will be here on Dec. 22 for Christmas. On Christmas Day I will have Babe folks and his Aunt & Uncle and then on the 29th all of his family will be together. Of course all this depends on the weather, sickness, etc. But we hope it goes as we plan. Our Church program is Dec. 22 at 7:30 P.M.

The next two week will be busy with all the activities.

Let us hear from you and we hope you have a Blessed Holiday Season. Lorraine
