

Hi

How is everything with you folks? We are fine and busy.

We had our whole family - about 30 could come - at a family dinner Saturday night, and will have all our children home on Christmas Day. Barbara is coming home Monday - and we are really looking forward to that. She will be here a month.

Harry has been busy in his spare time helping Ken make a Santa and sleigh & 8 reindeer for the top of his house. It covers most of the roof and looks beautiful.

Our David is growing fast and talks quite a bit. We enjoy him so much.
Have a happy Christmas.

To wish you Peace,
Contentment and Lasting Happiness
at Christmas and all the year
